

GRUNDTVIG Workshop

Our Berlin - Discover your intercultural skills through film

(Reference Number : 2012-1-DE2-GRU13-11323)

During the last years, Berlin has become a multi-ethnic city for newcomers and their small international teams, discovering the cultures. There are a lot of new stories about diversity, the bright and the grey sides of living in Berlin, stories that have not been told multicultural cities and to stimulate you to yet and that are waiting to be discovered. We are looking forward to working with you in multi-ethnic city for newcomers and their small international teams, discovering the cultures. There are a lot of new stories about diversity, the bright and the grey sides of living in Berlin, stories that have not been told multicultural cities and to stimulate you to yet and that are waiting to be discovered. reflect on your own home city.

Living together means contact – but if you fulfill the application criteria and you understand others means to hear and want to apply for our Workshop, please listen their stories. Through listening to contact us by the 28th of February 2013. stories, the listener learns and understands.

Through the method of digital storytelling we will support you with all necessary want to send you out into the city and have information and documents to apply for the you learn about urban cultures, the realities of Workshop. living together as different cultures and to create common stories of your experiences. We hope to meet you in Berlin!

In this Workshop we will provide you with all tools necessary to create short, documentary For more information or questions contact us: movies and to find and create stories. Berlin will be your stage! mabarthe@comparative-research.net
